COMMISSION**

Mr. Thomas M. Dorman,

We are protesting the recent actions taken against the Doe Valley Utilities, Inc, Board of Directors by the Doe Valley Property Owners Association Board of Directors. The latter (DV POA) Board removed four of the five directors of the former, (DV Utilities, Inc.) board. They placed themselves on the utilities board along with their duties on the DV POA board. We, along with many residents of Doe Valley strongly protest this action. We currently buy our water from the owner of Doe Valley Lake, Ms. Shannon Keim. Ms. Keim is also responsible for using her voting rights to elect our current DV POA board. As a result of the recent removal and replacement of the utility co. directors, Ms. Keim now controls the selling and buying aspects surrounding the utility co. This obvious conflict is dangerous to our community and does not offer any protection to the homeowners in Doe Valley. Ms. Keim is a resident of Florida and her interest in our community is strictly financial. As we understand the statutes concerning public utilities in Kentucky, it appears a replacement of utility board members is subject to approval by the PSC. prior to such action taking place. We do not see that a formal request to remove our previous board was placed before the commission. We respectfully request these actions be investigated and if found improper, reversed. As you know, it is this community's desire to expand our utility capacity and maintain Doe Valley Lake as our water source. A majority of the residents of Doe Valley have requested our lake to remain our source of water. We fear that these improper actions by the DV POA Board of Directors is counter to the interest of the people living here.

You are being sent this same message by others who share our interest, by fax machine and by mail. Thank you for your interest. Sincerely, Gene and Anna Mae Fuller, 672 Strawberry Hill Drive, Brandenburg, Ky. 40108. We can be reached at 270-422-5485, or by e-mail at fuller@bbtel.com.
